

## Changes to annual reporting requirements

### Public Service Senior Executive Numbers and remuneration disclosures

Agencies are required to disclose information concerning Public Service Senior Executive (PSSE) numbers and remuneration in their annual reports based on four PSSE salary bands. These requirements are set out in [Treasury's Annual Report Compliance Checklist](#) under the heading 'Numbers and remuneration of senior executives'.

On 7 August 2018, the Statutory and Other Officers Remuneration Tribunal (SOORT) released the 2018 Annual Determination – SOORT – Public Service Senior Executives. This Determination lists the four PSSE bands that apply for financial years ending between 1 July 2018 and 30 June 2019. Agencies preparing annual reports for financial years ending between 1 July 2018 and 30 June 2019 must base their PSSE disclosures on those four PSSE bands.

Treasury's Annual Report Frequently Asked Questions lists those four PSSE bands. See <https://www.treasury.nsw.gov.au/information-public-entities/annual-reporting/annual-reporting-faqs> – under the heading 'What senior executive salary bands should my agency use this financial year?'
