The object of this Bill is to appropriate from the Consolidated Fund various sums of money required during the 2021–22 financial year for the services of the Government, including—

The Consolidated Fund largely comprises receipts from, and payments out of, taxes, fines, some regulatory fees, Commonwealth grants and income from Crown assets.

This Bill—

- (b) contains an additional appropriation which allocates revenue raised in connection with gaming machine taxes to the Minister for Health and Medical Research for spending on health related services, and
- (c) contains provision for transfer payments from the Commonwealth to non-government schools and local government, and

(d) provides for appropriation for the whole of the 2021–22 financial year.

Clause 32 enables the Treasurer to authorise payment for a purpose that is more than the sum appropriated for the purpose if the Treasurer is of the opinion that the exigencies of government require the payment or the sum appropriated for the purpose is insufficient to enable the purpose to be effectively and efficiently carried out. However, an equivalent sum must not be paid out for another purpose.

Clause 33 enables the Treasurer to authorise payment for a purpose in excess of the sum appropriated for the purpose if the Treasurer is of the opinion that the additional sum is reasonably necessary because of a State contingency. However, an equivalent sum must not be paid out from the sum appropriated to the Treasurer by clause 19 for the purposes of expenditure related to the COVID-19 pandemic or changes in wages awards or conditions.

Clause 35 requires the Treasurer to not authorise the payment of a sum under the proposed Part to increase the amount of any salary or wage fixed by law.

Clause 36 provides the proposed Part does not apply to sums appropriated by another Act.

Clause 37 requires the Treasurer to inform the Auditor-General of every authorisation given under the proposed Part.

Clause 40 allows a Minister to appoint an accountable authority to identify a surplus to enable the Treasurer to authorise the surplus to be paid for another purpose under proposed Part 6 if the sum appropriated for that other purpose is insufficient.

Clause 41 makes it clear that budget related information in the notes included in the proposed Appropriation Acts and in Budget Papers does not form part of those Acts and does not affect the application of any amount appropriated by those Acts.

Clause 42 provides that if the proposed Act is assented to after 1 July 2021, certain payments made from the Consolidated Fund on or after 1 July 2021 but before the enactment of the proposed Act are deemed to be made out of the sums appropriated by the proposed Act.
